Chair Geddes makes comments to the firefighters and thanks the volunteers for their involvement and servicing their community.</p>
<b>0:06:52</b>	<p><b>Agenda Item 2 – Discussion and Decision – First West Presentation on Health and Dental Insurance Options – Antoinette Bloem</b></p> <p>Ms. Bloem introduces herself. She provides information on the health insurance plans offered to the employees. The plan the employees are currently enrolled in is going to see an increase of 9% for the renewal beginning in April of 2022. This plan is not an HSA eligible plan. She also provided information for Pacific Source. Ms. Bloem discusses another plan that does offer an HSA option.</p> <p>Trustee Miller asks if the employee can choose which plan. She advises that Blue Cross Blue Shield can offer up to three plans for the employee to choose from. Two plans are currently offered. Chief Nickolay provides input from the Chief's position. The employees had met with Antoinette before the meeting to go over the plans and benefits to the employees.</p> <p>Ms. Bloem spoke further about Delta Dental and Blue Vision. She also states the trend is for health insurance costs are between 8 and 10% increases.</p> <p>Chair Geddes asks for board discussion. He asks the Chief if he is happy with plans. Chief Nickolay states he is and there weren't any concerns or issues by the staff in the renewal.</p>

	<p>Trustee Miller and Zidack asks questions and makes comments about the plans. Discussion is held regarding deductibles and out of pocket costs. Information was also provided regarding HSAs and FSAs. Chair Geddes makes comments. Trustee Zidack confirms the options available. Ms. Bloem discusses the other carriers available.</p> <p>Trustee Zidack confirms for budgeting purposes there won't be much of a change depending on what plan the employee chooses.</p> <p>Ms. Bloem explains the difference between the composite rates and age-based rates. She recommends the board renew the plans currently selected. Trustee Miller likes one additional plan that will be added for the employees to choose from. Trustee Zidack asks for more information on HSA accounts.</p> <p><b>Motion: Trustee Miller moves to renew with Blue Cross and to have 931, 930, and HSA plans and keep dental as is.</b></p> <p>Trustee Beideman seconded the motion.</p> <p><b>Vote:</b> Jarrett-Yes; Zidack-Yes; Beideman-Yes; Miller-Yes; Geddes-Yes; Unanimous approval.</p> <p><i>[See Attachments A – Health and Dental Plans]</i></p>
0:30:13	<p><b>Agenda Item 3 – Discussion and Decision – Creating a Fire Station Concept Sub-Committee</b></p> <p>Chief Nickolay discusses the needs assessment to develop a sub-committee to work on conceptual designs. Chair Geddes refers to Attachment D from the January 25, 2022 meeting synopsis (Attached). Chief Nickolay recommends forming a sub-committee including himself and Chris representing the fire department; two board members, and members from the community as taxpayer representation.</p> <p>Chair Geddes makes comments and finds it very important to have members of the community from that area. He suggested that it doesn't necessarily have to be the same two board members at every meeting. Should there be more than three board members at the meeting it would be noticed but no decisions would be made. Decisions would be made at a full board member with all trustees present.</p> <p>Trustee Zidack agrees that as long as the meeting is properly noticed and that any work done by the committee will be presented at a regularly scheduled board meeting.</p> <p>Discussion is held regarding the payment of the current bond and the request for a new bond proposal to the public. The current bond is scheduled to be retired in 2027. Chief Nickolay discusses the current growth in the area and the expanding need.</p>

	<p>Chief Nickolay suggests working with Oren Schumaker to develop a concept idea down to present to the public. Oren Schumaker introduces himself and provides his background. He was a volunteer with Rae/Sourdough Fire Department from 1997 - 2003. He was also an EMT with AMR while an architecture student at MSU. His firm has recently opened an office in Bozeman. He was the design mind behind the Cottonwood Station. He discusses the possible expansion options for the Cottonwood Station. He went to Arizona and saw several fire stations that were being built. Chief Nickolay explains there are different options to get design options with different payment options. He feels it would be beneficial in working with Oren's firm who has the background in fire stations.</p> <p>Chair Geddes explains the duty to protect the public. And having an architect involved from day one makes a ton of sense. He suggests having an RFP process. Trustee Zidack feels it would be right to have a legal notice for the RFP process to protect the public as well as the department. Discussion is held between the trustees regarding the concept stage and the building phase.</p> <p><b>0:47:04</b> Chair Geddes asks for more board discussion. Trustee Beideman suggests making sure we use someone who has experience who have built a fire station. Discussion is held regarding the RFP. Oren Schumaker suggests even doing an RFQ (Request for Qualifications). He provides other suggestions for the RFP. Further discussion is held regarding the concept to go to the public.</p> <p>Chair Geddes suggests next month the Chief will present the RFQ language to the board for approval. Trustee Zidack discusses the time length necessary to get the submissions. Chair Geddes states next month there will be an agenda item for discussion and decision on approval for a request for qualifications. We will also have more information about a recommendation of length for noticing. The selected firm from the RFQ pool will then be brought into the sub-committee work.</p> <p>Chief Nickolay presents that we also need to decide what amount of money do we want to spend on the concept design phase. Discussion is held regarding the fees to be expected, i.e. travel expenses.</p> <p>Chief Nickolay asks if an ad should be run for public representation. Discussion is held regarding timing of starting the sub-committee meetings. The sub-committee will only be advisory to the board. Rules of engagement and duties will be defined for the sub-committee.</p> <p><b>Motion: Trustee Zidack moves to form a sub-committee and the Chief will prepare an RFQ to be approved by the board at the next meeting.</b></p> <p>Trustee Beideman seconded the motion.</p> <p><b>Vote:</b> Jarrett-Yes; Zidack-Yes; Beideman-Yes; Miller-Yes; Geddes-Yes; Unanimous approval.</p>
--	--

	<p>The Chief will advertise to the public for interest in the sub-committee.</p> <p><i>[See Attachment B – Attachment D of January 25, 2022 board meeting.]</i></p>
<b>1:14:33</b>	<p><b>Fire Chief's Report</b></p> <p>Chief Nickolay discusses items in his fire chief's report. He goes into further detail on items number eight and nine.</p> <p>Regarding item number 11 he is still working through the process researching for the replacement of the twins. He and Assistant Chief Dahlhauser will be making a site visit to the Pierce facility to get more information regarding costs and time lines to bring back to the board.</p> <p>Number 12 is presenting an opportunity to work with the DNRC to purchase a hybrid wildland truck by buying a cab and chassis the DNRC will build it the truck into a wildland truck. They will maintain the wildland pump unit and we will maintain the chassis of the truck. This will save us money where we can pay \$50,000 - \$60,00 to get a truck that would cost \$150,000 - \$200,000. This would also greatly increase our capability to fight wildland fires, especially in the spring when the heavy trucks are not able to leave the roads. Discussion is held regarding the specifications of the wildland truck.</p> <p>Number 15 is still in the process. Assistant Chief Dahlhauser is working with Medicare, Medicaid and Pintler, and the reporting software.</p> <p>The Chief is working on outreach to several HOAs in the fire district. He has recently met with Hyalite Meadows.</p> <p>A new letter of engagement has been signed with Amy Christensen. This is not a retainer but another resource. Susan Swimley will still need to be used as our general legal resource. Discussion is held regarding HR resources.</p> <p>Chair Geddes asks for board discussion. None given.</p> <p><i>[See Attachment C – Fire Chief's Report with Attachments]</i></p>

# How to Read Your Renewal

Your Blue Cross and Blue Shield of Montana (BCBSMT) coverage renews each year on your renewal date (found in the top right corner of this page).

Lots of things can change from year-to-year, that's why it's important to think through your business needs and your employees' needs to make sure the right plans are in place for the new year.

This renewal exhibit helps you learn more about coverage options.

## Follow these steps to get the most out of your renewal exhibit

### Step 1: Review your current renewal

The [Renewal at a Glance](#) section provides a quick overview on the:

- **Current Plan** – shows current plan(s) and total monthly cost(s)
- **Renewing Plan** – gives suggestions for the next year based upon current coverage – if you don't make any changes to your plans, this is the plan(s) that will start on the new coverage year.
- **Low Cost Options** – look at these plans for lower cost coverage ideas (if available)

### Step 2: Need more ideas?

Did you know that you have a wide variety of medical plans to choose from? If you didn't find the right fit in the [Renewal at a Glance](#) section, go to the [Medical Plans](#) section to review everything available.

Best of all – small groups can offer up to SIX benefit plans – offering more than one plan to your employees lets them choose the benefits and price that is right for their needs.

### Step 3: Consider enhancing your employer benefit package

Offering a competitive benefits package is important. BCBSMT offers small group dental plans, short-term and long-term disability plans and more found in [Dental Plans](#) and [Enhancing Employer Benefits](#) sections.

### Step 4: Need more information?

The [Appendix](#) includes helpful information like:

- Employee census – who has coverage today
- Premiums at the employee level

#### [Go Back to Renewal Contents](#)

# How to Read Your Renewal

- Details on what coverage includes

## Step 5: Let's renew!

**No changes?** Great! You don't need to return any paperwork or send any emails. Your coverage will continue uninterrupted based on the Renewing Plan(s) in the [Renewal at a Glance](#) section.

**Need to make plan changes?** No problem. Simply return the BPA Amendment Form (found in the Forms section of Blue Access for Employers) at least 15 days before the renewal date to:

**Email:** MTsmallgroupamendment@bcbsmt.com

**Fax:** 406-441-5585

**Small businesses have big options, thanks to BCBSMT!**

Did you know that small employers can offer up to SIX medical plans through BCBSMT?

Employer contributions are based on the lowest cost option offered.

Offering more than one plan lets employees have the freedom to choose what is right for them.

# Enhancing Employer Benefits

Small business owners face the same challenges as larger businesses when it comes to attracting and retaining quality employees while containing costs.

An employee benefits program is a valuable asset, but it must include the right mix of products at a price that works for everyone, including:

## Group Dental

Dental plans are available as a separate plan from BCBSMT

## Group Term Life Insurance

The loss of the primary family wage-earner can threaten the futures of other family members. Life insurance is a great way to provide for loved ones in the event of an untimely death. It can be one of the most valuable investments a person can make.

## Accidental Death & Dismemberment (AD&D)

These plans pay an additional benefit if an employee dies or suffers dismemberment or paralysis as the result of an accident.

## Dependent Life Benefit

Provides employers with the option to add a dependent life benefit to the term life insurance plan and provide protection for an employee's spouse and children.

## Group Short-Term and Long-Term Disability Insurance

Short-term and long-term disability insurance protects employees who cannot work because of a disability caused by illness or injury. But as a disability carrier, BCBSMT does more than pay claims—we manage them, helping to control costs through a disability claim management program that focuses on returning employees to work.

## Vision

Vision Plans being offered in the 2-9 and 10+ lives space!

Vision for groups under 50 eligible employees must be sold with at least one other ancillary product; that ancillary product can now be BlueCare Dental! Simply contact your Broker or the Small Group Account Management Team for more details!

## Additional Benefit Information

This renewal exhibit does not contain a complete listing of exclusions, limitations and conditions that apply to the plan benefits displayed. For more information on these products, please refer to the plan's Summary of Benefits and Coverage, Benefit Booklet and/or speak with the Small Group Account Management Team for additional information.

## Embedded Deductibles

All small group metallic plans include an embedded deductible. This means that no more than one individual deductible is required to be met by any one individual in a family contract.

## Health Savings Accounts (HSA) Plans

In accordance with federal regulations, copays will not apply until after the deductible is met, for applicable HSA plans.

Some HSA plans may require a mandatory employer contribution, refer to the chart below to determine if a mandatory contribution is required and the contribution range:

Plan #	B6E1BLC	B902PFR	G6E1PFR	G6J2BLC	G6J2PFR	G936PFR	S6E1PFR	S6E2BLC	S6J3BLC

Plan #	S6J3PFR	S933PFR	S935PFR
\$ Amount	\$0 \$0	\$0 \$0	\$0 \$0

## Preventive prescription coverage

All HSA plans now feature a \$0 copay for certain preventive drugs, helping members stick to their treatment plans and better manage their health conditions.

## Pharmacy Benefits

All small group plans include prescription drug benefits. For those plans which offer a prescription coinsurance, the coinsurance amount will be applied after the medical deductible is met.

Prescription drug benefits are based upon a drug list and tier level. How much a member pays out-of-pocket for prescription drugs is determined by whether their medication is on the drug list and which tier it is under – if a member chooses a medication on a lower tier, the out-of-pocket cost will be lower.

Some prescriptions may require members to meet certain criteria before prescription drug coverage may be

approved, including prior authorization or step therapy.

Prescription copays are also based upon use of preferred or non-preferred pharmacies. Benefits displayed within the Plan Options section represent the higher copays for Non-Preferred Pharmacies. If a member visits an in network Preferred Pharmacy (excluding HMO and 100% cost sharing plans), they may pay a lower copay or coinsurance amount for a covered, non-specialty prescription drug. A full list of preferred pharmacies is available online at [myprime.com](http://myprime.com) using the "preferred" filter.

### Qualified small group metallic health plans include pediatric vision and dental benefits.

Pediatric vision benefits are available to members up to age 19 and include one eye exam every 12 months as well as select pediatric hardware and vision discounts. To locate a provider, visit [eyemedvisioncare.com/bcbsmt](http://eyemedvisioncare.com/bcbsmt).

# Appendix - Monthly Premiums

## Individual Age and Composite Rated Premiums

Premium rates for all medical and dental plans include two rating options:

**1. Individual age-rates.** Age-rates are based on each individual's age. This means the total premium for a family would equal the sum of all individual family members' rates.

If an employee covers more than three dependent children (under the age of 21) on their family policy, the premium rate for children is capped at the three oldest children, under the age of 21.

**2. Composite-rates.** Composite-rates are billed by coverage tier (EO = Employee Only; ES = Employee + Spouse; EC = Employee + Child(ren); EF = Employee + Family).

Both the EC and EF tiers include all children covered under the plan, regardless of the number of children.

Groups with multiple medical and/or dental plans may select only one rating method. Combining plans with age and composite rates (including medical and dental plan combinations) is not allowed.

## Off-Cycle Plan Change Requests for Regulated Small Groups (1-50)

If a plan change or addition is needed, a new quote must be pulled from BCBSMT. Rate quotes are only required for new plans. Existing/remaining plans that are not changed are not required to be requoted.

Rate information from this renewal packet cannot be used for any Anniversary Date or off-cycle changes.

Montana BCBSMT Quotes pulled for off cycle changes (those not occurring upon the group's Anniversary Date) may be impacted by:

- **Age changes** – if a subscriber has aged between the time of the group's renewal and the off-cycle plan change(s), the new age must be used for quoting purposes for plan changes only. If the subscriber remains in their existing plan, no rate adjustment is required.
- **Headquarter location changes** – if the group moves headquarter locations after the Anniversary Date, this may affect the rating area and rates for off cycle plan change(s). Rates for existing plans will not be affected by the new rating area, until the group's next Anniversary Date.
- **Inaccurate rate information** – in the unlikely event that inaccurate information is provided for off-cycle plan change(s), such as updating the group's new rating area, BCBSMT cannot honor the quote.
- **Composite Changes** – Off-cycle plan change(s) are not available to groups who wish to change their billing method, (electing to move from age rates to composite rates and vice versa); or groups who wish to add additional composite rated plans. Anniversary Date changes are required in these situations. Contact BCBSMT to obtain final rates involving Anniversary Date changes.

## Summary of Benefits & Coverage

### Notice to Policyholder

The Affordable Care Act requires group medical plans and/or insurance issuers to create and distribute a Summary of Benefits and Coverage (or alternate format permitted by the Affordable Care Act) (the "SBC"), to participants and beneficiaries in certain specified situations as required by Section 2715 of the Public Medical Service Act (42 USC 300gg-15) and SBC regulations (45 CFR 147.200), as supplemented and amended from time to time (the "SBC Requirements"). This Notice is to inform you that effective for Policy Years for which you, as Policyholder, hold an open enrollment period on or after September 23, 2012, Blue Cross and Blue Shield of Montana (BCBSMT) will provide certain SBC services as follows.

For participants and beneficiaries who join other than through an open enrollment period BCBSMT will provide the following SBC services as of the first day of your first plan year that is on or after September 23, 2012. Policyholder will promptly provide BCBSMT with such policy year date.

### SBC Creation

BCBSMT will create the SBC and provide it to you, as Policyholder.

### SBC Review and Distribution

The Policyholder shall carefully review the SBC and if it is satisfactory, the Policyholder will distribute it to participants and beneficiaries at the time and in a manner consistent with the SBC Requirements. If not satisfactory, Policyholder will promptly notify BCBSMT

Accordingly, your policy is being issued or renewed subject to the above responsibilities and to additional SBC terms and conditions, including but not limited to:

- Policyholder is responsible for synthesizing information from its various insurers and administrative service providers it uses for its group medical plan (or providing multiple partial SBCs if permitted by law).
- Nothing in the Contract relieves the Policyholder or its group medical plan of their respective legal and regulatory obligations with respect to the SBC.
- BCBSMT has no responsibility for, or obligations with respect to, the SBCs except as specified in this Contract.
- Policyholder is responsible for furnishing to BCBSMT in a timely manner all information necessary for the timely creation and distribution of SBCs, including but not limited to names and addresses for: (i) any person currently enrolled in any plan administered or insured by BCBSMT, and (ii) any person the employer tells us is eligible or may become eligible. Policyholder's failure to furnish such information, to agree to an implementation plan or to promptly review/approve SBCs may delay and/or jeopardize BCBSMT's preparation of the SBC and the Plan is relieved of its SBC obligations.
- BCBSMT's SBC operations will not be considered to be in breach of the Contract to the extent BCBSMT has worked diligently and in good faith to provide the SBC services, based on a reasonable interpretation of then-current SBC-related ACA provisions and Guidance, in a manner consistent with the SBC Requirements.
- BCBSMT may, but is not required to, monitor Policyholder's performance of its SBC obligations, audit the Policyholder with respect to the SBC, request and receive information, documents and assurances from Policyholder with respect to the SBC, provide its own SBC (or SBC corrections) to participants and beneficiaries, communicate with participants and beneficiaries regarding the SBC, respond to SBC-related inquiries from participants and beneficiaries, and/or take steps to avoid or correct potential violations of applicable laws or regulations. Policyholder will notify the Plan of any actual or potential non-compliance with the SBC Requirements.
- Policyholder will indemnify and hold BCBSMT harmless with respect to the SBC.

These changes are binding on your Policy and/or you will receive a formal Policy amendment for your files once it has been approved by the Montana Department of Insurance.

# Appendix - Notices and Important Information

## I. Initial Notice about Special Enrollment Rights in Your Group Medical Plan

A federal law called Health Insurance Portability and Accountability Act (HIPAA) requires that we notify you about very important provisions in the plan. You have the right to enroll in the plan under its "special enrollment provision" without being considered a late enrollee if you acquire a new dependent or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons. Section I of this notice may not apply to certain self-insured, nonfederal governmental plans. Contact your employer or plan administrator for more information.

### A. SPECIAL ENROLLMENT PROVISIONS

#### Loss of Other Coverage (Excluding Medicaid or a State Children's Medical Insurance Program)

If you are declining enrollment for yourself or your eligible dependents (including your spouse) because of other medical insurance or group medical plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if you move out of an HMO service area, or the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or move out of the prior plan's HMO service area, or after the employer stops contributing toward the other coverage).

#### Loss of Coverage for Medicaid or a State Children's Medical Insurance Program

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's medical insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's medical insurance program.

#### New Dependent by Marriage, Birth, Adoption, or Placement for Adoption

If you have a new dependent because of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

#### Eligibility for State Premium Assistance for Enrollees of Medicaid or a State Children's Medical Insurance Program

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's medical insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

**To request special enrollment or obtain more information, call Customer Service at the phone number on the back of your Blue Cross and Blue Shield ID card.**

## II. Additional Notices

Other federal laws require we notify you of additional provisions of your plan.

## IRS Announces Inflation Adjustments for 2022 HDHPs and HSAs

The IRS has announced the inflation adjustments for 2022 High Deductible Health Plans (HDHP) and Health Savings Accounts (HSA). These adjustments include maximum HSA contributions, minimum deductible amount and maximum out-of-pocket limits. The following adjustments apply to the calendar year 2022.

### Contributions to an HSA

For the calendar year 2022, the annual limitation on contributions to an HSA under §223(b)(2)(A) for an individual with self-only coverage under a HDHP is **\$3,650**. The annual limitation on contributions to an HSA under §223(b)(2)(B) for an individual with family coverage under an HDHP is **\$7,300**.

### Additional Contribution Amount (Individuals Age 55 and Older)

The catch-up contribution limit to an HSA under §223(b)(3)(B), is \$1,000. There is no change from 2021.

### High Deductible Health Plans

An HDHP is defined under §223(c)(2)(A) as a health plan with an annual deductible that is not less than **\$1,400** for self-only coverage or **\$2,800** for family coverage. The annual out-of-pocket expenses (deductibles, copayments, and other amounts, but not premiums) do not exceed **\$7,050** for self-only coverage or **\$14,100** for family coverage.

	2022	2021
Minimum Individual Deductible	\$1,400	\$1,400
Minimum Family Deductible	\$2,800	\$2,800
Maximum Individual OOP	\$7,050	\$7,000
Maximum Family OOP	\$14,100	\$14,000
Maximum Individual Contribution	\$3,650	\$3,600
Maximum Family Contribution	\$7,300	\$7,200
Minimum Individual Embedded Deductible	\$2,800*	\$2,800
Minimum Family Embedded Deductible	\$2,800	\$2,800

*\*According to IRS guidance, an individual deductible (an embedded deductible) provided under a family HDHP must be at least the family minimum for the year (\$2,800 in 2022). Due to system limitations, groups with an embedded deductible family HDHP may not offer an employee-only HDHP with a deductible less than the family minimum (\$2,800) unless separate benefit agreements are established for employee-only and family HDHP coverage. The IRS individual minimum is \$1,400 for 2022.*

*Please note that the HDHP limits on out of pocket expenses and the maximum out of pocket limits under the Affordable Care Act ("ACA") are NOT the same. The maximum out of pocket limits for 2022 are \$8,700 for self-only coverage, \$17,400 for other than self-only coverage.*

## **Hyalite Rural Fire District**

### **Fire Chief's Report**

**February 2022**

Prepared by: Fire Chief Brian Nickolay

1. The Hyalite Fire Department responded to 60 calls in January 2022.
  - Call volume January 2021 - 58
  - Call volume January 2020 - 37
  - Call volume January 2019 - 45
2. Our current roster is at 48 members (effective 2/1/2022).
3. We currently have 8 resident firefighters living at the Sourdough Fire Station.
  - Sourdough resident firefighters continue to fill weekend shifts Friday 7pm – Monday 7am
4. We currently have 4 resident firefighters living at the Cottonwood Fire Station.
  - Cottonwood resident firefighters continue to fill weekday night shifts Monday – Thursday 7pm – 7am.
5. We currently have 4 resident renters at the Rae house.
  - Rae renters continue to be offered incentive in discounted rent for responding to 30% of the call volume per month.
6. Non-resident volunteer firefighters continue to cover 6 hour shifts at the Sourdough Fire Station on Monday – Friday 7am – 7pm. This staffing level allows us to keep a crew on duty at the fire station 24 hours a day, 7 days a week.
7. We continue our regular multi company fire and EMS training every Wednesday night and command training twice a month.
8. We did offer mutual aid training to our partners as part of January's command training. We did have participation from Gallatin County 911. It was very beneficial to have our dispatchers come out. We will continue to offer training to our working partners in the future.
9. We have begun a new process to promote new volunteer Lieutenants and Captains within the fire department. New Lieutenants and Captains are working through a promotion academy being overseen by Assistant Fire Chief Dahlhauser. We hope to promote four new Captains to

help with providing command coverage and six new Lieutenants to work as crew leaders. We hope this new academy style promotional process will streamline promotions in the future and give equal opportunities to all our volunteers.

9. The ambulance contract for Gallatin County is still in draft form. We are waiting for the county to release the latest draft to review.

10. Our recruit firefighters from the fall 2021 academy have finished their training and are now responding members of the fire department. Captain Malone and Captain Culbertson worked incredibly well to complete this academy after the staff change with Chris Eaton's retirement. We will now begin the recruitment process for the spring 2022 academy. We hope to bring on six new firefighters starting in March.

11. We are continuing to work on the replacement of Engine 6-2 and Engine 6-3. Myself and Assistant Chief Dahlhauser will be traveling to the Pierce Manufacturing facility in March to research purchasing and specification options.

12. The Hyalite Fire District has the opportunity to expand our wildland firefighting capability with the help of the Montana DNRC. We have the option available to get a DNRC hybrid type 5 wildland truck. It is referred to as a hybrid because the fire district would be responsible for purchasing and maintaining the truck chassis and the DNRC would provide and maintain the wildland fire built out of the truck. This is part of the DNRC's county fire program. With the direction we are moving with our engines and the replacement of Engine 6-2 and 6-3 this could be a great benefit to our wildland firefighting capabilities. I would like to bring the board a more detailed plan in March.

15. Staff is continuing to work on our ambulance transport plan.

- The new ambulance 6-1 has been delivered and is now in service.
- Staff is working on finishing up the needed information for Pintler billing services.
- Staff is working with our medical control at Bozeman Health Deaconess Hospital to line out our transport plan
- Our firefighter/EMTs are trained for ambulance transport functions. Training will be a continuous effort.
- All needed equipment has been purchased.
- We hope to begin EMS transporting in the next 30 days

16. I met with Hyalite Meadows HOA at the end of January as part of their annual meeting. It was a great meeting to connect with our taxpayers. New issues of concern were presented to the fire district. My hope is to continue to reach out to HOAs in an effort to better connect the fire district to the community.

17. I have signed a new letter of engagement with the Christensen & Prezeau law firm for utilizing attorney Amy Christensen as legal counsel regarding employment matters. The fire

district has used Amy in the past. As it has been in the past we are not locked into a retainer with C&P as part of this engagement.

16. We have experienced no firefighter injuries in the last month.

17. All Hyalite Fire apparatus are in service.
